RENAMING OF SIKAHYFLEX-402 CONNECTION TO SIKAFLEX-402 CONNECTION

To whom we may concern.

We hereby confirm that SikaHyflex®-402 Connection has been renamed to Sikaflex®-402 Connection without any change in formulation. Hence, the product's performance and quality stays unchanged.

All third-party test reports and certificates available under the name of SikaHyflex®-402 Connection stay valid under the new name Sikaflex®-402 Connection.

Internal documents such as PDS and DoP's are re-issued under the new product name Sikaflex®-402 Connection.

Best regards

Emil Gigov
